will turn out all right in the end. It is always the case. Anything that is worth having takes time and patience in securing.

There is one man on the republican county ticket who will please the north end of the county, and that is Judge Hubbard. We have heard very little complaint of the workings of the county court during the past two years. So we suppose they are giving general satisfaction.

Two of a kind—Roosevelt and Folk. Both are strong advocates of honesty in office. Considering the similarity of the two platforms there seems reason why a Missouri democrat would not consistently vote for Roosevelt, or why a Missouri republican would not consistently vote for Folk.

In view of the fact that the farmers are so often disappointed in their grain crops, the Cayhago Press thinks it would be a good idea to give more attention to butter and eggs. The Press has come to this conclusion by the fact that since the first of February last, \$2,000,000 has been sent into the eastern states to supply the demand for butter, eggs and poultry.

The wise ones have been telling us that the national democratic convention would end William J. Bryan's political career. This fact is, however, Mr. Bryan came out of the convention a really bigger man than when he went in.

The small vote received by M. E. Benton at the democratic primary last week is taken by the republicans and Mr. Benton's enemies in the democratic ranks, as an indication that he is losing prestige. The chances are, however, that had there been other candidates in the field, there would have been considerable difference in the number of votes cast. This was not a first-class criterion for the republicans to base their hopes upon.

The Joplin Globe's objection to the republican county ticket is that it is too much of a family affair. This was a natural conclusion for the Globe to come to in view of the fact it was under the impression that Cole and the nominees for mayor and smooth, tin-no-tin-toe treasurer, were fresh ones in laws of Steve Claitor, the candidate for collector, and Ed Clitwood, who is on the ticket for assessor, a cousin to Steve. The relationship of the two Clitwoods is acknowledged but the other two gentlemen deny the charge of any kinship.

I had a coughing fit so bad that if I could not get a little sleep, I would cough myself to death. I had tried all other medicines, but they did not do me any good. I had tried Dr. King's New Discovery, and it cured me and I gained 25 lbs." It is absolutely guaranteed to cure coughs, colds, whooping, croup, and all throat and lung troubles. Price 50c and \$1.00.  are caused by indigestion. If you eat a little too much, or if you subject to attacks of indigestion, the stomach expands—a coils, and pulls, up against the heart. This crowds the heart and shortens its breath. Rapid heart beats and heart disease is the final result. Kodol Dyspepsia Cure digests what you eat, takes the strain off the heart, cures indigestion, dyspepsia, sour stomach, and contributes nourishment, strength and health to every organ of the body. Cure of Chronic Diarrhoea After Ten Years of Suffering.
 "I wish to say a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mrs. Mattie Lange, of Martinsburg, Va. "I suffered from chronic diarrhoea for ten years and during that time tried various medicines without obtaining any permanent relief. Last summer one of my children was taken with cholera morbus, and I procured a bottle of this remedy. Only two doses were required to give her entire relief. I then decided to try the medicine myself, and did not use all of one bottle before I was well and I have never since been troubled with that complaint. One cannot say too much in favor of this wonderful medicine." This remedy is for sale by Webb Bros.

Every housekeeper should know that if they will buy DeWitt's Colic Water Starch for laundry use they will save not only time, because it never sticks to the iron, but because it costs much less than other Colic Water Starches as put up in 1/2 pound packages, and the price is the same, 10c. Then again because DeWitt's Starch is free from all injurious materials. It is your green tries to get you a 1/2 lb. package it is because he has a stock on hand which he wishes to dispose of before he goes in DeWitt's. He knows that DeWitt's Starch has proved on every package in large letters and figures "DeWitt's Demand DeWitt's and save much time and money and the assurance of the iron sticking DeWitt's never sticks!
